

Sustainable Aviation

FUELS SUMMIT

BRUSSELS | 24-25 JUNE 2025

Biofuels/SAF/Biogas conferences 2024

Welcome to our networking app. From here you can view the agenda, speakers and network with fellow delegates.

Make sure you set your profile so people can easily find you and get in touch to start discussions, set meetings or just share experiences.

We look forward to seeing you all in Brussels!

We've listened to feedback and are pleased to announce that delegates this year can download a mobile app allowing them to set a profile, view fellow attendees on the app, with the ability to message and organise appointments.

The third-party app, used by many of the large conference producers around the globe, is proven to help delegates engage, network and conduct business before, during and post event.

Not downloaded it yet, do so now and get networking!

All presentations will be available on our return, once we have received your completed questionnaire.

Apple App Store

The event code is biofuels-saf-biogas2025

Please consult the app for the most up-to-date programmes

Day one: 24th June 2025

- 09:00 **Welcoming remarks from the Chair**
André Paula Santos, Head of EU Policy – Bioenergy, **Nufarm**
- 09:15 **Long term supply & demand forecast for the European biofuels market**
Ina Chiriță, Associate Director, Biofuels Value Chain Service, **S&P Global Commodity Insights**
- 09:45 **Outlook on Global Renewable Fuel Markets**
Cornelius Claeys, Founder and Managing Director, **CleanMotion Advisory**
- 10:15 ☕ **Networking break**
- 10:45 **Regulatory update: Developments on the EU-ETS**
Valentina Stekovic, Senior Sustainability Advisor, **AFS Energy**
- 11:15 **From Europe's farms to Europe's future: How ethanol can help fuel EU strategic autonomy**
Craig Winneker, Director of Communications, **ePURE**
- 11:45 **Updates on biofuel certification concerns**
Cian Delaney, Campaign Coordinator, Energy Brussels (EU), **Transport Environment**
- 12:15 🍴 **Networking lunch**
- 14:00 **Opening remarks from the Chair**
André Paula Santos, Head of EU Policy – Bioenergy, **Nufarm**
- 14:15 **Performance and sustainability in one, when selecting Sanicro 35 for demanding Biofuels applications**
Barinder J S Ghai, Director Technical Marketing and New Business Development, EMEA, **Alleima**
Jonas Höwing, Technical Marketing Specialist, **Alleima** Tube division
- 14:45 **Biofuels as a key pathway for Maritime decarbonization**
Daniel de Miguel, Biofuels Business Development, Market Intelligence & Regulation, **MOEVE** (formerly CEPESA)
- 15:15 ☕ **Networking break**
- 15:45 **Panel discussion: how are biofuels supporting the decarbonisation of the marine sector?**
- Key regulations influencing biofuels in the maritime sector
 - Benefits of marine biofuels
 - Main challenges to broader adoption
 - What's needed to accelerate the uptake of biofuels in shipping
- Daniel de Miguel*, Biofuels Business Development, Market Intelligence & Regulation, **MOEVE** (formerly CEPESA)
Paola Rodriguez Masiu, Head of Research and Trade Analytics, **STX Group**
Bjorn Breckx, Business Development Director, **CFP Energy**
- 16:45 🍷 **Networking drinks with the SAF & Biogas participants**
Enjoy great networking with delegates from all 3 events

Kindly sponsored by

Day two: 25th June 2025

- 09:20 **Welcoming remarks from the Chair**
Dáša Mamrillová, Government Affairs Director, **EWABA**
- 09:30 **Implementation of the Renewable Energy Directive (RED III) across the EU**
Xavier Noyon, Secretary General, **European Biodiesel Board** (EBB)
- 10:00 **Future of biofuels and ticket schemes amid trade restrictions**
Akman Ozel, Renewable Fuels Market Analyst, **STX Group**
- 10:30 ☕ **Networking break**
- 11:00 **Global Feedstock Outlook for Biofuels 2025/26**
Artem Hammerschmidt, Head of Vegoils & Biofuels Research, **Ceras Analytics**
- 11:30 **Circular alternatives to fossil fuels and more precisely Solid Recovered Fuels originating from wastes (solid)**
Olivier Bobin, PhD Founder, Scientific Director, **CIRAM**
- 12:00 🍴 **Networking lunch**
- 13:30 **Opening remarks from the Chair**
Barinder J S Ghai, Director Technical Marketing and New Business Development, EMEA, **Alleima**
- 13:45 **Technical Analysis of first generation biofuel feedstocks**
Eddie Tofpik, Head of Technical Analysis & Senior Markets Analyst, **ADM**
- 14:15 **How to make advanced biofuels projects more profitable**
Bo Glerup, Founder, Co-owner & Sales Director, **Nordic Green**
- 14:45 ☕ **Networking break in the exhibition hall**
- 15:10 **Case study: decarbonising passenger transport in India**
Nishant Sarna, Senior General Manager, **Maruti Suzuki India**
- 15:30 **Pathway to 2030 and beyond**
Brittany Hook, Business Development Director, **HutanBio**
- 16:00 **End of conference**

Day one: 24th June 2025

- 09:00 **Welcoming remarks from the Chair**
Jo Howes, Partner, ERM
- 09:15 **How regulations such as RefuelEU will support the sustainable aviation fuels market to achieve the EU climate targets by 2030**
Alexis Chausteur, Policy Analyst, European Commission
- 09:45 **Price Assessment – the key to fuelling the SAF market**
Harry Clyne, Managing Editor, S&P Global Commodity Insights
- 10:15 **Case study: Constructing the world's first commercial demonstration Ethanol-to-Jet facility in the USA**
Sophia Haywood, Director, EU & UK Government Affairs, Policy & Sustainability, Lanzajet
- 10:45  **Networking break**
- 11:15 **Navigating the SAF market; technically and commercially**
Nicola Knight, EMEA Director of the Low Carbon team, Worley Consulting
- 11:45 **SAF pricing and risk management**
Giulia Squadrin, Biofuels business development manager, Argus Media
- 12:15  **Networking lunch**
- 14:00 **Opening remarks from the Chair**
Jo Howes, Partner, ERM
- 14:15 **Where do we see SAF production emerging based on economics and feedstock availability?**
Rebecca Groen, Director Clean Molecules & Global Biofuels Lead, Baringa Partners
- 14:45 **Enabling Economical and Scalable Sustainable Fuels**
Conor Madigan, Founder and CEO, Aether Fuels
- 15:15  **Networking break**
- 15:45 **Case study: 2X Alcohol-to-Jet technology**
Kapil Shyam Lokare, Co-Founder/CEO, Terra Mater
- 16:15 **The Role of Integrability in Advancing Sustainable Aviation Fuel Technologies**
Bitu Najmi, Principal Engineer Process Entr, Aker Solutions
- 16:45  **Networking drinks with the Biofuels & Biogas participants**
Enjoy great networking with delegates from all 3 events

Kindly sponsored by

Day two: 25th June 2025

- 09:20 **Welcoming remarks from the Chair**
James Primrose, CEO, JRK Primrose Consulting
- 09:30 **The market outlook of SAF**
Rahul Malik, Consulting Manager – OMD Europe, CIS & Africa, S&P Global Commodity Insights
- 10:00 **SAF's part in sustainability at Amazon**
Paul Martinez, Senior Manager, Amazon Air
- 10:30  **Networking break**
- 11:00 **Biosolids to SAF is the future**
James Hygate, CEO, Firefly Green Fuels
- 11:30 **The role of Agriculture in the Sustainable Aviation Fuel production: strategic autonomy and complementarity**
Chad Edwards, Director: global seed business development, Corteva
- 12:00  **Networking lunch**
- 13:30 **Opening remarks from the Chair**
James Primrose, CEO, JRK Primrose Consulting
- 13:45 **Can SAF feedstock supply keep up with demand? A closer look at advanced feedstocks & their impact on the supply chain**
James Primrose, CEO, JRK Primrose Consulting
- 14:15 **Biomass-and-power-to-SAF: taking best of both in terms of feedstocks and de-risking opportunities**
Louis-Philippe Lammertyn, Head of SAF, Hincio
- 14:45  **Networking break in the exhibition hall**
- 15:00 **SAF feedstock availability and the deployment of intermediate crops as new feedstock sources**
André Paula Santos, Head of EU Policy – Bioenergy, Nufarm
- 15:30 **Smart-FEED – a lean approach to e-fuel projects**
E-fuel generation with biogenic CO₂ through sector coupling with biomethane production
Sven Goethals, Commercial Director, Tractebel Engie
- 16:00 **End of conference**

Day one: 24th June 2025

- 09:00 **Welcoming remarks from the Chair**
Ewa Abramiuk-Lete, General Manager, Liquid Gas Europe
- 09:05 **Update on the 2040 proposal and updates on the biomethane market (capacity and investments)**
Grazia Vascello, EBA Policy Officer, European Biogas Association
- 09:30 **Recent developments in biomethane production**
• How biogas competes vs other green fuels in the EU environment
Peter Daemen, Senior Vice President, Power2X
- 09:50 **Rå Biopark, The Worlds Northernmost biogas plant: the challenges of developing a complex biogas plant in the Norwegian Arctic**
Simon Ford, Rå Biopark
- 10:20  **Networking break**
- 10:45 **Biomethane certificates across EU given the lack of homogeneity in the market**
• Uncertainty around UDB
• How this makes difficult for trading x-border
• Solutions to overcome this
Lucas Oliveira, Global Energy Management, Biomethane trading desk, Engie
- 11:10 **Experience in managing EU-wide biomethane sourcing**
• Managing various sourcing channels
• Risk management approach grey gas vs. biomethane
Ari Suomalampi, Head of Renewable Gases, Gasum
- 11:35 **Biogenic/Biogas CO₂ Certification**
• How biogenic CO₂ can be used for various use cases with different certification requirements
• New certification scheme to make it easier to trade biogenic CO₂
Tim Hamers, Secretary General, European Renewable Gas Registry (ERGAr)
- 12:05 **Navigating the complexities of sustainability certification in the biomethane sector**
• How Carbon Intensity calculations have an effect on commercial success
• Feedstock supply chain improvement potential from a certification perspective
Roland Kok, Founder, Route to Market
- 12:35 **Private Equity investment in to the biogas sector**
Khash Mohajerani, Co-Founder & Partner, OrbeNovo Capital
- 13:00  **Networking lunch**
- 14:00 **Opening remarks from the Chair**
Ewa Abramiuk-Lete, General Manager, Liquid Gas Europe
- 14:15 **The Future of Clean Gas Market: The role of gas infrastructure in Finland and Europe**
Heli Haapea, Service Manager, Gasgrid
- 14:45 **Case Study: End-to-End Biomethane Business in the Nordics**
Milka Johansson, CEO, St1Biokraft
- 15:15  **Networking break**

- 15:45 **E-fuel generation with biogenic CO₂ through sector coupling with biomethane production**
Sven Goethals, Commercial Director, Tractebel Engie
- 16:15 **Unlocking new value: PRODEVAL's BUP Next Gen converts CHP heritage into a future-proof injection platform**
Emile Baier, VP Corporate Strategy & Public Affairs, Prodeval
- 16:45  **Networking drinks with the Biofuels & SAF participants**
Enjoy great networking with delegates from all 3 events

Kindly sponsored by

Day two: 25th June 2025

- 09:20 **Welcoming remarks from the Chair**
Ewa Abramiuk-Lete, General Manager, Liquid Gas Europe
- 09:30 **European and global biogas markets and drivers**
Johanna Diederichs, Sales Trader and Consultant in Environmental Commodities, Green Steps
- 10:00 **Case study: large scale biomethane production at the Bio Energy Coevorden plant, the Netherlands**
• BioCO₂ liquefaction
• BioLNG market trends
• Trading dynamics
Tatiana Shakhova, Junior Trader, Varo Energy
- 10:30  **Networking break**
- 11:00 **How to attract funding into Biogas Projects**
Christian Cuenot, Independent Consultant, Blue Biogas
- 11:30 **Evolution of the Feed-in-Tariff structures in the Italian biomethane market**
• How they have been instrumental in developing the biomethane Transport and Industrial sectors
Cristiano Campi, Chief Commercial Officer, Verdalia Bioenergy
- 12:00  **Networking lunch**
- 13:30 **Opening remarks from the Chair**
Ewa Abramiuk-Lete, General Manager, Liquid Gas Europe
- 13:45 **Ireland's pathway to 2030**
Philip Connolly, Policy Manager – Future Opportunities, ESB
- 14:15 **EU ColdSpark: How to produce hydrogen and carbon from biomethane**
Nataliya Polezhaka, Communications and Business Development Manager, IBBK Fachgruppe Biogas GmbH
- 14:45  **Networking break in the exhibition hall**
- 15:00 **What role can bioLNG play in decarbonizing the shipping sector in the near-term?**
Knut Cathala Vrålstad, Head of Renewable Energy Analysis, Veyt
- 15:30 **Innovative Evaporation Technology for Sustainable Biogas Residue Management**
Philipp Mair-Zelenka, Sales Manager, GiG Karasek
- 16:00 **End of conference**

Thank you to our Sponsors & Exhibitors
